WE'VE RESERVED SPOTS SPECIFICALLY FOR PEOPLE WHO HAVEN'T TAKEN A WORKSHOP AT  
HAYSTACK'S FALL OR SUMMER PROGRAMS

Basic Woodturning

Chris Joyce

Learn to turn bowls, spindles, and boxes.

Blacksmithing

Eric Ziner

Learn basic forging and assembling techniques to create a tool or object, while experiencing the properties of hot iron.

Jewelry: Deer Isle 'Rocks'

Sarah Doremus

Learn basic metalsmithing techniques to make a piece of jewelry or utensil using a beach stone as the main element.

Paint and Fuse

Elizabeth Busch

Create your own painted fabric pieces with textile paints and combine it with commercial fabric to create two or three small, fused collage/wall hangings...without a sewing machine!

Ribbed Basketry

Joli Greene

Using colorfully dyed flat and round reeds, learn to make a melon 'gathering' basket with a vine handle.

Silk Scarves/Shibori

Chris Leith

Learn to make patterns (shibori), dye colors, and take away color (discharge) using white silk scarves as a starting point.

Writing Workshop: Words Close to Home

Candice Stover

Using simple writing exercises for inspiration, we will explore where we come from, where we live, and how memory and a sense of place can surprise us when we bring them to the page in a fresh way.
